

EXETER LIONS LITTLE LEAGUE BULLETIN

SUBJECT: Phillies Trip 2010

POSTED: 02 April 10

The Phillies trip is set for Tuesday, July 27th vs. Arizona....7:05 start. The discount that the Phillies give us on tickets for that night allows us to run the trip for \$50 a person again.

Here are the details. Seats are in Rows 9,10, and 11 in Section 207, which allows us all to sit together. If you went to last year's game, this section is almost directly across from where we sat last year...down the right field line this time, but with a better view of the scoreboard. You can see a view from this section on the Phillies website. These are normally \$33 seats, and you'd pay \$45 to \$50 on stub hub for the same seats. When you consider gas and parking, you probably couldn't drive there for much less than \$50 a person.

Until May 1st, an email will hold your reservation; by May 15th, I'll need to collect \$20 per reservation as a down payment to pay on the bus and the tickets. Full payment NLT 1 July.

\$50 price includes ticket, bus transport....water, juice boxes, snacks and a Modern Market Hoagie. Any questions please call me or shoot me an email.

thanks,
